MS4 BMP Concept Plan Presentation

Engineer Knouse reported to Council that originally the County's Regional and Chesapeake Bay Plan Resolution was to totally "Opt In" or not at all. The County has now indicated that the Borough may change the Resolution and "Opt In" or "Opt Out" to participate in the development of the Regional Plan. The planning portion is being developed at no cost to the municipalities. The concern of municipalities was that the County did not have the costs for implementation of the Plan. Given that the County's stance has changed Engineer Knouse and Manager Shaffer thought it best to present a draft resolution that has been amended indicating the potential for "Opting In" to the planning portion but specifically reserving the right to "Opt In" or "Opt Out" of the implementation phase. Peter A. Lombardi made a motion, seconded by Becky S. Stauffer, to approve Resolution No. 6-2016 to "Opt In" to the Development of the York County Regional Pollutant Reduction Plan (PRP) for the 2018 Permit cycle and reserve the right to "Opt In" or "Opt Out" of the implementation of a Regional PRP once the associated costs are formulated. Motion Carried.
